APY = Annual Percentage Yield. This Logix Federal Credit Union (Logix) Account Rate Sheet is incorporated as part of your New Account Application and the Membership and Accounts Agreement and Disclosure. Dividends are earned daily and are paid monthly on the first day of the month. Fees may reduce earnings. **Certificate Accounts:** The Dividend Rate contracted for all Certificates remains in effect for the entire Certificate Term. The disclosed Annual Percentage Yield assumes dividends remain on deposit until maturity. Dividends may be withdrawn without penalty; however, withdrawal of principal results in an Early Withdrawal Penalty. Upon maturity, Certificate Account will automatically renew at its current term with the Dividend Rate and Annual Percentage Yield in effect on the date of maturity. 12-Month Flex and Bump Certificates automatically renew as a standard 12-Month Certificate with the Dividend Rate and Annual Percentage Yield in effect on the date of maturity. There is a seven (7) day Grace Period following the date of maturity to make changes to the terms of the Certificate Account without penalty. Minimum balance must be maintained to avoid account closure. If any Certificate Account is closed before its Maturity Date, dividends will be paid from the date of the end of the last dividend period to the date of withdrawal prior to the assessment of an Early Withdrawal Penalty. 12-Month Flex Certificate funds must be "new money" ("new money" defined as money not currently on deposit with Logix Federal Credit Union). 12-month Flex and Bump Certificates cannot be opened as IRA Accounts. Education IRA Certificates (aka Coverdell Education Savings Accounts) require only a \$500 deposit to open, maintain, and earn dividends - you can also make an annual contribution (as permitted by law) during the term of the Certificate. * **Your Relationship Rewards Tier is determined by adding together the monthly balances your household keeps with Logix, including Savings, Checking, Money Market, and all Loans and Credit Card balances. Please note Certificate balances are not included, and you must have at least one Logix checking or money market account to qualify. Refer to the Relationship Rewards Program disclosure for complete information. The Relationship Reward Balance Tiers are: Silver = \$20,000 / Gold = \$35,000 / Platinum = \$100,000.**
