

## Online Banking Account-to-Account Transfer Authorization

**Complete this form to authorize the following types of Cross Account Transfers:**

- 1) Transfers between Logix accounts on which you are a legal owner on both accounts. For example, transfers between your individual account and an account you own with your spouse.
- 2) Transfer of funds between your account and another Logix member's account on which you are not a legal owner. For example, transfers between your account and your parent's account (on which you are not a legal owner). This is referred to as a "Third Party" transfer.

**See the Cross Account Transfers Disclosure on Page 2 for Important Restrictions.**

### Third Party Authorization

*(This section to be signed by the owner of Logix account on which you are not the legal owner.)*

As a recipient of an authorized Third Party Cross Account Transfers, I understand and agree that the sender of these funds may view the number and types of accounts I maintain at Logix Federal Credit Union (through the Online Banking transfer function). However, the sender will never be able to access my account transaction history or view my balances. The sender cannot perform withdrawals or transfers on my accounts.

**Important Note:** Funds transfers to third party accounts, where you are not the account legal owner, are non-revocable and cannot be reversed once the transfer has been made unless specifically authorized in writing by the recipient. Transfers from your savings or money market account to third parties are limited to three transfers per calendar month (see "Transaction Limitations on Savings and Money Market Accounts" in our Online Banking Agreement). Revocation of this agreement must be in writing.

## Online Banking Account-to-Account Transfer Authorization

### **CROSS ACCOUNT TRANSFERS DISCLOSURE**

**Cross Account Transfers and capabilities are divided into two types:**

- (1) Transfers between your Logix accounts of which you are a legal owner on both accounts;  
and
- (2) Transfers to another Logix member account of which you are not a legal owner (Transfers to Third Parties).

**In order to transfer available funds from one account to another, you must logon to Online Banking using the account number from which you wish to transfer the funds.** You can only logon to, access account information, and transfer funds from those accounts in which you are a legal owner. Cross Account Transfers from one account to another allow you to transfer funds to any sub-account (unless otherwise restricted) established within the account structure. Logix reserves the right at any time to restrict or prohibit Cross Account Transfer capabilities on specific types of accounts.

**Type (1) – Transfers between your Logix accounts of which you are a legal owner:**

To obtain Cross Account Transfer capabilities to transfer funds from one of your Logix accounts to another of your Logix accounts, and vice-versa, (for example, from your account #11223344 to your account #55667788), you must complete and submit an Online Banking Account-to-Account Transfer Authorization form. You must be a legal owner on all accounts identified. We will verify legal ownership on all accounts before Cross Account Transfer capabilities are permitted. **Type (1) Transfers service is not available on business accounts other than Sole Proprietorship accounts unless the business account vesting/titling and Tax Identification Number on both accounts is identical.**

**Type (2) – Transfers to another Logix member’s account of which you are not a legal owner (transfers to Third-Parties):** To transfer funds from your Logix account to the account of another Logix member (a third party) you must complete and submit an Online Banking Account-to-Account Transfer Authorization form, which must also be signed by the legal owner of the Logix account to which the funds will be transferred. We will verify all signatures on the request form before transfer capabilities will be granted by us. You will be permitted to transfer funds from your Logix account(s) to the Logix account of another member; however, you will not have access to, or the capability to review account balances or activity, or to perform other transactions on third party account(s). Transfers of funds made by you to third party accounts are non-revocable and cannot be reversed without the third party’s written consent, even if you have made an error in the amount transferred or the account to which the funds were transferred. You are limited to a total of six transfers to your other accounts or to third parties from your savings or money market account during any calendar month. Refer to “Transaction Limitation on Savings and Money Market Accounts” for further information. **Type (2) Transfers service is not available on business accounts other than Sole Proprietorship accounts.**
